Shutters!

Rehanging of missing
shutters has begun! If
you "rescued" a fallen
shutter from a snow
bank, please leave it in
a visible location near
your entrance.
(Thanks for the rescue!)

Recycling:

We recently reassessed
the use of "toters" at the
dumpsters. There are 6
toters at each dumpster.
Historically, there have
been 3 each for news-
papers and commingled
recyclables. It seemed
evident that we needed
more for commingled
and less for the news-
papers. Accordingly,
we have changed the
labels and now have, at
each dumpster, 2 toters
for newspapers and 4
toters for commingled.

Recycling Guidelines:
